

Job Posting for Temporary, Casual or Interim Position

Job Title	Research Assistant I	Pay Grid	Temporary
Job Code	INT014	Pay Grade	Level 1

Department, Unit or Project Description:

For concerned citizens and influential thinkers and doers, the **McMaster Health Forum** strives to be a leading hub for improving health outcomes through collective problem solving. Operating at the intersection that bring together policymakers, leaders, citizens and researchers for off-the-

record deliberations about pressing health challenges; *Public Talks and other types of public events such as debates or panel discussions* where feature guest speakers address pressing health challenges in front of diverse audiences; *Citizen Panels* that provide the opportunities for citizens to share their views and experiences on high-priority issues; *Learn How*, the Forum's training program that provides online and in-person training for policymakers, stakeholders and researchers about finding and using research evidence.

As part of its commitment to prepare action-oriented leaders in addressing pressing health challenges creatively, the Forum is offering an exciting job opportunity for undergraduate students.

The Research Assistant will work directly with the Forum staff and faculty, will interact with a variety of internal and external stakeholders and will play an important role in several aspects of the McMaster Health Forum's activities.

Job Summary:

Under direct supervision, provides support of a routine nature related to the collection and review of data for research projects.
