

OHT IMPACT FELLOWS PROGRAM

Information Session

February 15, 2023

PROGRAM O E R I E

BENEFITS

PROGRAM COMPONENTS

Matchmaking

Applicants are matched with host OHTs based on skills and need

PhD-trained
or Master's + professional degree

Identify areas in which they would like
to work

Applicants are vetted to form a
candidate pool

Interest and capacity to host a Fellow

Identify a project that aligns with OHT
priorities and goals

Hosts are reviewed to determine
readiness for program

Embedded Research

Fellows support implementation and evaluation across OHTs

Support local implementation

Accelerated priority projects

+

Increased capacity for evaluation and
evidence-informed decision-making

Support OHT-wide evaluation

Shared learning across OHT network

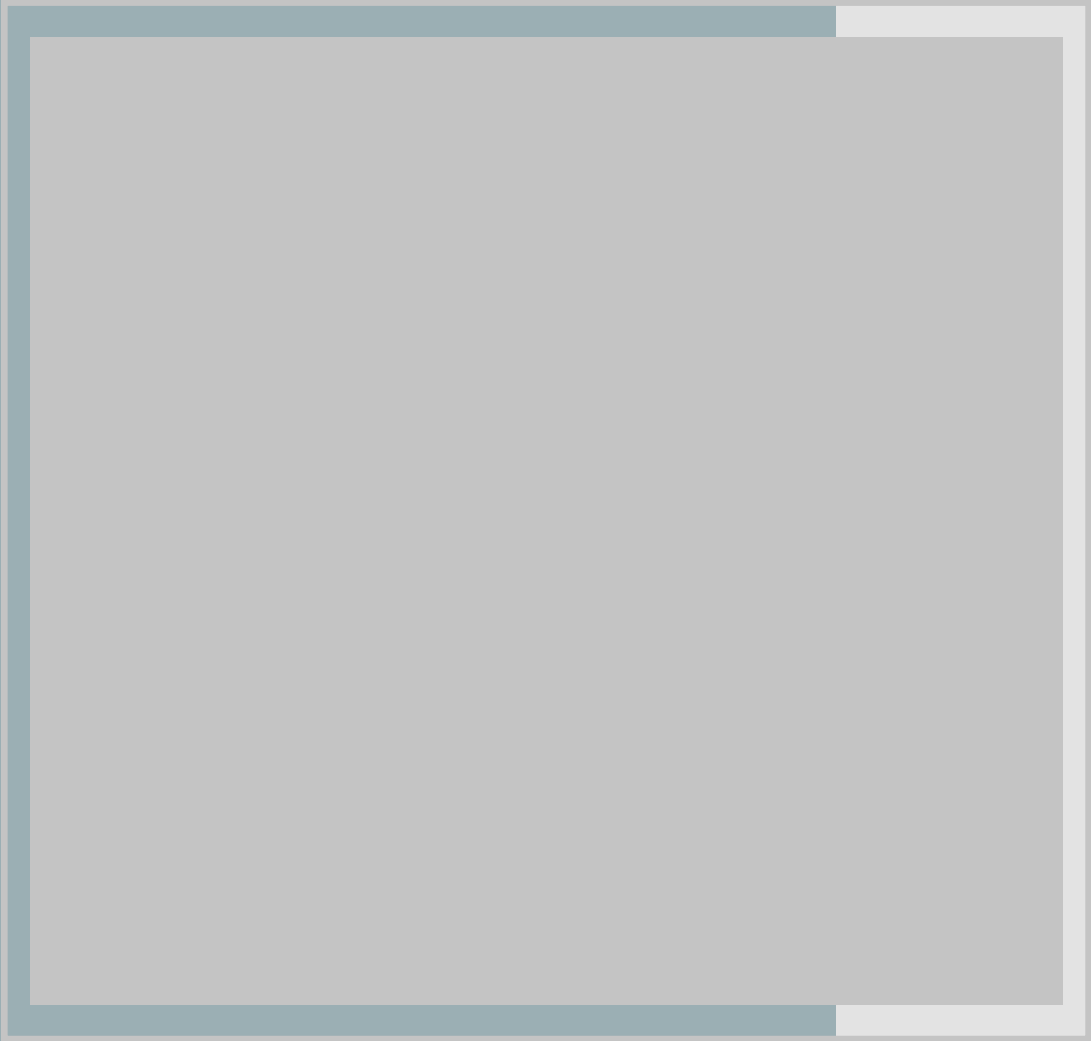

+

Insights to add to central evaluation

Role of Impact Fellows and Host OHTs

MEET OUR
FELLOWS!

HOW ARE OHT IMPACT FELLOWS?

- Highly skilled evaluators
- Combine rigorous academic training with real-world experience
- Apply evaluation, analytic and critical appraisal skills to health system challenges
- Build evaluation capacity and accelerate learning across health teams

HO CAN
HO?

Interested OHTs should:

- Identify a project that:
 - Aligns with OHT goals and priorities
 -

HO PROJECT CHECKLIST

Does the proposed project:

- Align with the OHT's goals and priorities?
- Address one or more of the OHT's priority populations?
- Advance the OHT's current workplan?
- Benefit from skills in evaluation, analysis and/or critical appraisal?
- Have clear goals and outcomes?
- Allow for rapid feedback and learning?
- Support the OHT's goals and priorities in a meaningful and impactful way?
- Link to one or more OHT building blocks?

Application process for
Fellows and Host OHTs

A L I C A I N C E : N A I H E A L H E A M

- OHT submits an Expression of Interest by Feb 24
- Eligibility:
 - OHTs who have not yet hosted a fellow can apply
- Prospective OHT hosts must:
